(President Amoud Foundation)

# LETTER FROM THE PRESIDENT

As we celebrate 25 years of serving and uplifting our beneficiaries, it has been an enriching and fulfilling experience in making a difference in the lives of millions. Since our inception, we have focused on prioritizing education as one of the main goals in helping those less fortunate in the Horn of Africa. Our focus began by establishing Amoud University which has served as a higher learning institute in the region. After the collapse of the Somali government, we recognized the need to focus on education and were determined to have an impact on the lives of the children there; even if it was at a pace of one child at a time. Our motto began as "books not bullets". The impact of a child's education on the community is priceless.

*"Do not expect to see a change if you don't want to make one".*

*-Malcolm X*

Our knowledge of the landscape of the region and the basic needs of the people combined with our strengths helped in our success. Every dollar we receive is an amana from our donors to our beneficiaries. Our "Water is Life" program began from the lessons learned from the major droughts from 1990 onwards. The drought ravished and devastated millions of people and livestock throughout the Horn of Africa, especially Somalia. As a result, we have built over 2,000 water wells over the years.

Amoud also delivered hot meals, dry food, and water trucks to where the need was the most, especially in more remote areas. Providing medical supplies and care became essential in the region. As a result, we built the first teaching and referral hospital, Al Hayatt Medical Center. Amoud also began establishing Mother and Child Hospitals to deliver much needed maternal and prenatal care for mothers and children to increase the mortality rate in the region. Additionally, Amoud Foundation has established orphanages and schools for children in need in the region who might otherwise not have this opportunity.

Amoud Foundation is grateful to Allah SWT for our donors and volunteers for their generosity, dedication, and continued support. A special thanks to our dedicated field office teams, staff, Board members, and Executive Director, Issam Abdallah. We have been blessed and pray that Allah SWT allows us to continue serving the vulnerable in the Horn of Africa. We say JazakAllah Kheir to all.

May Allah SWT reward you as we prepare for new initiatives for the next 25 years. We look forward to continuing to earn your trust to reach and have an impact on our ummah. May Allah SWT bless and thank you.

PRESIDENT  
MOHAMOUD EGAL

*Mohamoud Egal*

# MESSAGE FROM OUR EXECUTIVE DIRECTOR

As Amoud Foundation is celebrating our 25th anniversary with a legacy of helping people help themselves, I am taking this opportunity to thank you, the supporters of our beneficiaries in the Horn of Africa, and express the need for our efforts to continue. They are among the most vulnerable in the world. Millions of people have been served and felt relief due to your generosity.

Without even realizing, you have given the gift of life to so many in the region who are at the most risk and many are in remote areas where the need is critical. We have witnessed first-hand how the effects of your benevolent contributions have uplifted and transformed the lives of so many in the region. We would not have been able to deliver the food, water, medical supplies, sustainable projects, and much more without you. We cannot express our gratitude enough for your continued support.

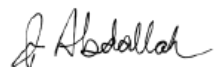

A wholehearted thank you to our teams in the field who work tirelessly amidst extremely challenging conditions, many times at significant personal sacrifice and risk, in order to deliver what has been entrusted to us with excellence and integrity.

As for our exceptionally dedicated volunteers, board members, staff and field teams, thank you for your unwavering work and efforts to serve those in need. All your work does not go unrecognized, and we pray that Allah s.w.t. accepts from you and rewards you immensely. Lastly, a special thank you to our President, Mohamoud Egal, who serves as our inspiration and strength to continue our mission.

“Whoever alleviates the difficulty of a believer in this world, Allah s.w.t. will relieve their difficulty in the Hereafter...” - Prophet Muhammad

Jazakum Allah khairan, and thank you for your support!

Your brother,

**Issam Abdallah**  
Executive Director  
Amoud Foundation

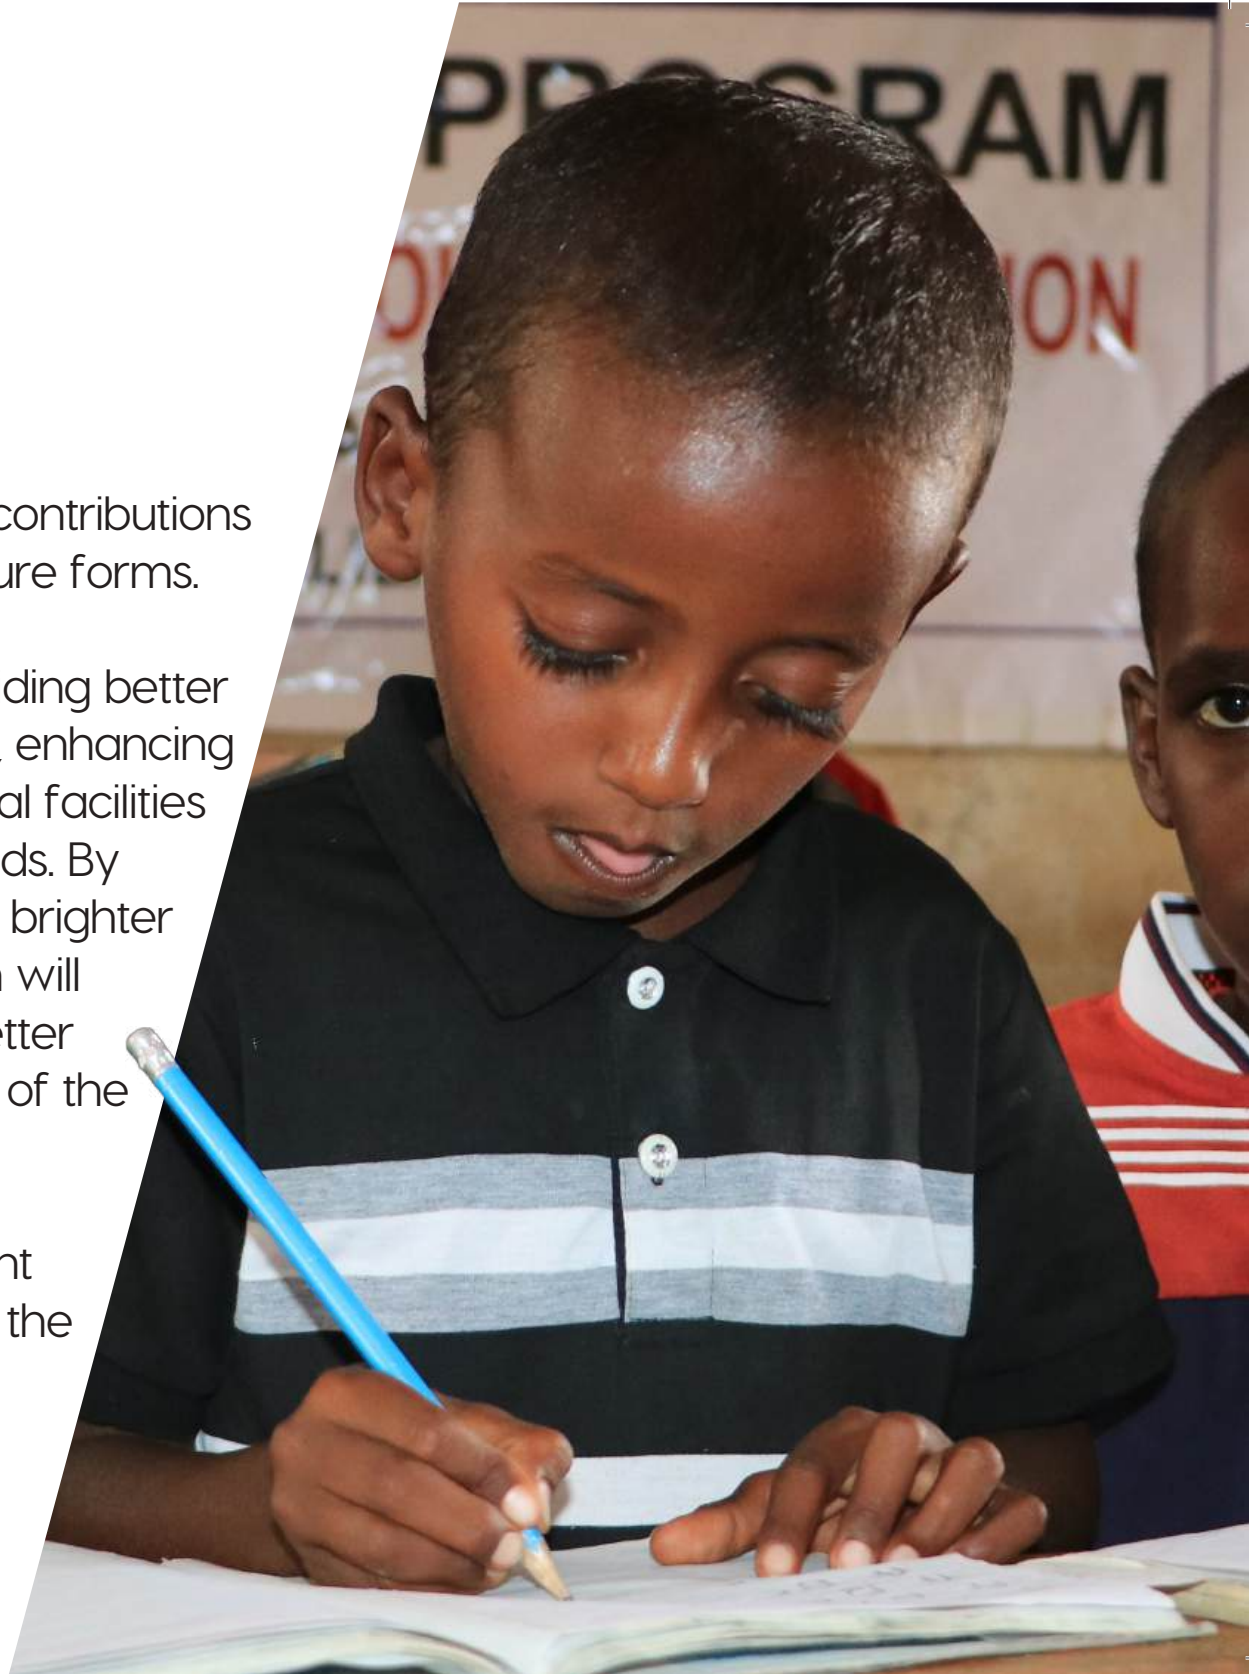

# LEAVING A LEGACY

Although long-range in nature, these contributions are significant in their present and future forms.

Each gift makes a difference by providing better educational opportunities for students, enhancing the orphanage, health, and educational facilities that attract the best and brightest minds. By making an estate gift, you can build a brighter future for students and patients which will result in affordable healthcare and better education in that geographical region of the world.

Also keep in mind that your benevolent efforts will leave an indelible mark on the world.

# MISSION & VISION

was founded in 1998 with the mission to impact the local and global communities by helping people help themselves through sustainable humanitarian projects while maintaining trusting relationships

To explore estate planning and gift options, please contact us, at 972-871-8297 or [amoud@amoudfoundation.org](mailto:amoud@amoudfoundation.org)

**SERVED**  
**175,000**  
FAMILIES IN 2023

# GIVE THEM LIGHT WITH THE GIFT OF SIGHT

Your donation can dramatically  
change someone's life!

Amoud Foundation continues to  
be committed to helping the  
most vulnerable in the Horn of  
Africa by providing free cataract  
surgery to restore their sight.

Donate to our Vision Program today for  
just \$150 you can have a life-changing  
effect on someone's life.

# KEY FIGURES

**675**  
Patients benefited  
from cataract surgery

**2150**  
Screened patients  
with different eye  
diseases

**3000**  
patients are on the  
waiting list to be  
screened for cataract  
surgery

According to the World Health Organization, there are millions of people who have severe vision impairment. Although there are some forms of vision impairment that are not treatable, over 75% of the cases are correctable through affordable cataract surgery.

For those in developing countries, many factors contribute to the loss of vision, such as poverty, malnutrition, hygiene, and climate. All of these conditions are prevalent in the Horn of Africa. Lack of sight can prevent a child from going to school, a family member from working or being able to look after their families.

# ORPHANAGES LIFT UP A **CHILD'S** LIFE

## SPONSORED

# 2315

## ORPHANS IN 2023

Amoud Foundation has been successfully supporting several orphanages in the Horn of Africa region. The children also receive a new gift for Eid each year.

# BE THE COMPANION OF THE PROPHET (PBUH)

WILL BE LIKE THIS IN PARADISE  
WITH THE PERSON WHO TAKES  
CARE OF AN ORPHAN

Prophet Muhammad (PBUH)

# EID UDHIYA QURBANI

For a majority of the families, meat is consumed once a year on Eid al Adha.

Amoud Foundation provides meat to **thousands of families** through our **Qurbani/Udhiya** campaign.

**IN 2023**

**550,000**

**PEOPLE BENEFITTED  
FROM YOUR DONATIONS**

# EMERGENCY DROUGHT RELIEF

The Horn of Africa is currently facing a severe hunger crisis, leaving millions dependent on humanitarian aid and have had to leave their homes. Many have had to leave their homes and are displaced. They are in dire need of your support and generosity.

Across the eastern Horn of Africa, millions upon millions of are faced with acute food insecurity and severe water shortages due to drought.

People have no water or food after their crops and livestock were destroyed by this drought caused by several seasons of no rainfall or very below-average rainfall for many years.

The number of people affected by the severe drought has increased in multitudes in the last year alone and those displaced internally have more than quadrupled in the last year.

The world's hungriest country, Somalia, is suffering its worst drought in 40 years. At present, one-fifth of the population in Somalia is impacted by drought and the projections show it will just keep getting worse.

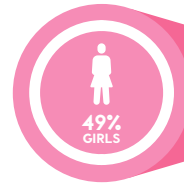

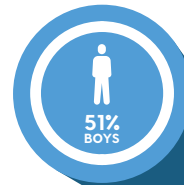

Ease the pangs of thirst and hunger for your vulnerable brothers and sisters.

Your generosity can ensure their survival with essential water and filling meals for the neediest.

# EDUCATE & EMPOWER

2023 has been a tough year for Education systems around the world. Amoud Foundation believes that with **education** comes power. By educating these children, you are giving them an **opportunity** to **succeed**

# EDUCATION IS THE FOUNDATION OF SUCCESSFUL GENERATION'S FUTURE

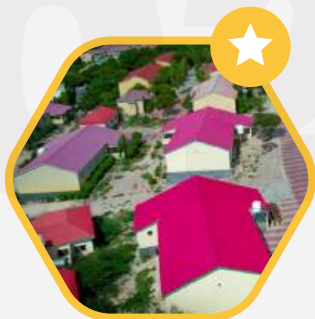

With our partnership with Books for Africa, we have delivered books, school supplies and solar lamps to many schools and furnished a library.

Amoud Foundation has also begun construction on 2 schools in Ethiopia and should open in 2024, in shaa Allah. These schools will serve approximately 250 students each.

# 2023 COMPLETED PROJECTS

**HARGEISA ORPHANAGE EXPANSION**  
one of the largest orphanages in the region

**MOTHER AND CHILD CLINIC**

**DILA HOSPITAL**

**ALHAYATT HOSPITAL EXPANSION**

**AMOUD FEEDING CENTER BAIDOA**

# 2024 PROJECTS UNDERWAY

**CANCER HOSPITAL**

**BORAMA HOSPITAL**  
Emergency Care Unit

**FARAH EGAL STATE OF THE ART LIBRARY**  
to serve 1/2 million people in the region

**AUDIOLOGY CENTER FOR HEARING CARE NEEDS**

**ETHIOPIA MASJID**  
OROMO AREA IN HAWASA REGION

**ALHAYATT HOSPITAL**  
Emergency Care Unit

**TOGO WEST AFRICA MASJID**

**SHEDAR MASJID**  
Ethiopia - Somali region

## YOU CAN SUPPORT US

By making payments over a period of time, you may make a larger commitment and fulfill this pledge at your own pace.
